

**Mayflower Primary School 2022 – Enrichment Programmes (Consolidated) – Primary P5**

No	Programme	Synopsis	Date / Term	Cost to be co-paid with students
1	Ezhishi - Digital Resources and Hardcopy Chinese Magazine <b>(for students taking Chinese Language)</b>	'Xin Lie Che' is a Chinese magazine for primary school students. It is a bi-weekly publication, totalling 20 issues for the year. The reading content is diversified, interesting and meets students' curriculum learning needs. The magazine also integrates language skills training such as oral, listening, writing, and comprehension skills through reading and other activities. The subscription package includes an online learning portal for eOral Practice and Resources (for Primary 5 and 6).	Term 1 to Term 4	\$26
2	P5 What's Up Student Newspaper	<i>What's Up</i> is an English newspaper for students. It is a monthly publication, totalling ten issues for the year. This newspaper explains current affairs in a way that students find comprehensible and compelling. The articles are also tied in with values and activities that are taught and conducted in the classroom.	Term 1 to Term 4	-
3	Ukulele Music Enrichment	This programme aims to teach students the basic skills (chords and strumming) in playing the Ukulele. Students will be able to perform individually and as an ensemble on the Ukulele to demonstrate proficiency and understanding of the elements of music.	Term 1 to Term 2	-
4	Coding Enrichment Programme	At P5, the elements of problem-solving and innovation will be emphasized while students continue to deepen their computational thinking skills using CoSpaces.	Term 1	-
5	Mother Tongue Language Activity (Indian) : Traditional Games <b>(for students taking Tamil Language)</b>	Students will get to play traditional Indian games and will also know the history behind the games.	Term 2	-

**Mayflower Primary School 2022 – Enrichment Programmes (Consolidated) – Primary P5**

6	Mother Tongue Language Fortnight Activity (Malay) : Introduction on the origin of Batik <b>(for students taking Malay Language)</b>	Students will learn the history, significance, characteristics and the different types of Batik. They will also learn how to paint a Batik through a step-by-step process.	Term 2	-
7	Mother Tongue Language Activity (Chinese) : Learning Journey (LJ) to Tea Chapter <b>(for students taking Chinese Language)</b>	Students will acquire an in-depth understanding of the Chinese tradition of tea appreciation through this LJ. Students will be introduced to Chinese tea art, its origins and the benefits of drinking tea through an authentic tea hands-on-session.	Term 2	-
8	P5 Camp	The camp aims to foster camaraderie and teamwork, leveraging on peers' strengths to maximize the potential of a group, and nurture social and emotional competencies through adventure. The programme provides opportunities in taking perspectives when making decisions so that they are better prepared for future challenges.	Term 3	\$66
9	National Education Show	Part of the National Education programme, students watch a preview of the National Day Parade to build a sense of pride in their country.	Term 3	-
10	Holistic Modular Sports Programme (Football)	This enrichment module aims to introduce basic football skills for students to enjoy the sport. Students will learn fundamental skills that enable them to participate actively in sports activities.	Term 4	-
11	Heritage Trail	Part of the National Education programme, students understand their Singaporean identity by exploring a heritage area and learning about the cultures and practices of one ethnic group. This year, students will explore Little India.	Term 4	-
