Notification No : 045/2022

Dear Parents/Guardian,

**Pre-PSLE Study Break  
(Monday, 26 September, Tuesday 27 September, Wednesday 28 September 2022)**

This is a follow-up to the notification sent by MOE on – **MOE: 2022 PSLE Matters** on 1 September 2022.

In line with MOE's plans to minimise the risk of school-based transmission, we will be implementing a study break.

Taking into consideration the best interests of our students, a differentiated, class-based approach will be adopted to ensure that our students' learning and emotional needs are taken care of during these 3 days.

Only students from the following classes will continue to receive in-school support during the 3 days leading up to the year-end exams:

- i. 6 Resilience
- ii. 6 Respect
- iii. 6 Service

Students of these classes will report to school and be dismissed as per normal school hours on these 3 days.

**A separate notification seeking parent / caregiver consent will be given to this group of students at a later date.**

Students from 6 Excellence and 6 Integrity are strongly encouraged to remain at home for their revision. Should they require assistance from their teachers, they can do so via online consultations. The respective Form Teachers will provide the details by Friday, 23 September 2022.

**In view of the above arrangement, P6 Supplementary classes originally arranged for Tuesday, 27 September will be cancelled.**

Should you have any further clarification, please email Mr Leong Wai Phang, Year Head (P5 & P6) at [leong\\_wai\\_phang@schools.gov.sg](mailto:leong_wai_phang@schools.gov.sg)

Thank you.

Regards,

Mr Leong Wai Phang  
Year Head
