Dear Parents/Guardians,

Parenting Support Programmes

Interested to find out how to handle the following situations with your child/ward?

- Motivating your child/ward to do their homework
- Managing tantrums or defiance
- Setting up healthy routines

If so, do sign up for the Parenting Support Programmes by Families for Life @ Community! These free-of-charge programmes cater to different profiles of parents/guardians, whether you are seeking to learn new parenting strategies, or require some coaching. Parents who prefer to complete an online self-guided learning programme may also sign up for that option. Grandparents are welcome, too!
