31 December 2021

Notification: 001/2022

Dear Parents/Guardians,

A Blessed New Year to you and your family! All of us at Mayflower Primary extend a warm welcome to all our students, and especially to our Primary 1 and K1 students, and new students who have just joined the MFPS family. We hope that you have had a restful and meaningful break with your family over the school holidays.

1. School Leadership Team

We thank Mrs Lim-Chua Siow Ling for her leadership of MFPS for the last six years. I am happy to join the school on 15 December, after having served as Principal at CHIJ (Our Lady Queen of Peace), Marymount Convent School and St. Anthony's Primary School. Our School Leadership team now consists of the following personnel:

Name	Designation
Ms Cecilia Lim	Principal
Mrs Winefrede Loo	Vice Principal 1
Mrs Noelle Chow-Kong Yuit Chan	Vice Principal 2
Mr Kwok Keng Lian	Vice Principal (Administration)

You may contact us at the school email address mayflower_ps@moe.edu.sg. Together, we strive to lead the school to nurture our students to be Empowered Learners and Empathetic Leaders who will be Exemplary Students of Tomorrow.

2. New Staff

We would also like to welcome the following staff to MFPS:

- Miss Beatrice Lim Shu-yi, English Language and Science Teacher
- Mr Chai Jia Yang, English Language and Mathematics Teacher
- Mdm Tang Yuk Ching, Chinese Language Teacher
- Mdm Tan Lay Tin (Mrs Janet Saw), English Language Teacher
- Mr Muhammad Danial, Educational Interpreter
- Mr Eemanueil Tan, Specialised Teacher

We would also like to announce the appointment of the following Key Personnel:

Name	Designation
Mr Mohammad Shaifudin B Jamaludheen	Subject Head / ICT
Mr Tang Kong Gin	Subject Head / Mathematics
Mdm Peh Kai Le	Level Head / English

At the same time, we would like to bid farewell to the following officers:

Name	Designation
Mrs Lim-Chua Siow Ling	Principal
Mdm Lee Huay Meng Carol	HOD / Science
Mdm Siti Zubaidah	Teacher
Mdm Molly Phua	Teacher
Mdm Wong Mei Ee	Teacher
Mdm Koh Shu Pei	Teacher

We thank all of them, especially Mrs Lim, for the many years of contribution to the growth and development of our students in Mayflower Primary and we wish them all the best in their future endeavors.

3. Congratulations to MFPS Class of 2021

Our 2021 P6 students have worked hard and achieved commendable results at their Primary School Leaving Examination. Congratulations to all our P6 students especially those who have showed resilience and perseverance to strive for their best despite challenging personal and family circumstances. We wish our 2021 P6 cohort the very best as they continue their educational journey.

Our parents/guardians have also played a critical role in partnering the school in the growth and development of our students. Without the support of parents/guardians and trust in the school, we would not have been able to do as much. Thank you parents/guardians of the 2021 cohort for your love, care and support for our students.

4. Theme for 2022: Persist – Do It!

The 2022 theme encapsulates the Mayflower Primary community's striving and thriving spirit despite the uncertainties in the past 2 years. The situation is still very fluid, with many uncertainties brought about by the emergence of new diseases and variants that led to many school closures overseas, for fear of the uncontrolled spread amongst children in schools. We are thankful that with the strict measures in place, schools in Singapore remained open and our children continued their learning, either physically or online. Here in MFPS, we still provided different learning opportunities so that our students continue to benefit from transformed learning experiences and strengthened well-being to ensure that they continue learning and growing.

As we move towards the Covid-19 resilience phase as a nation, our theme calls on every member of the MFPS community – students, staff, parents – to persist and work towards our common goal of nurturing Empowered Learners & Empathetic Leaders in our children. We do this by embracing our learning dispositions, starting with our ability to persist. It is in the darkest skies that we see the stars. We believe in putting our best efforts until we reach our goal, even if we don't succeed the first time. In doing so, we will be able to sail through the roughest seas and arrive at our intended outcomes.

5. School Curriculum Hours

Punctuality remains a core value and life-long habit we want to inculcate in our students so that they are better prepared for a day of learning through the rich learning experiences the school provides for each child. Please ensure that your child/ward gets sufficient sleep every night and reaches school and be in the classroom before 7.30 am for the flag-raising and pledge-taking ceremony.

Students **are considered late for school** if they are **unable to join their classes at 7.30 am for the flag-raising ceremony**. The school monitors those who come late and misses the flag raising ceremony with their classes.

Do note the recess and dismissal timings for the different levels:

Levels	School Hours		Recess	Snack break
	Start Time	Dismissal		
Primary 1	All levels – 7.30 am	1.20 pm	9.00 am to 9.30 am	10 min between 12 noon – 12.30 pm
Primary 2		1.25 pm	9.30 am to 10.00 am	10 min between 12 noon – 12.30 pm
Primary 3		1.30 pm	10.30 am to 11.00 am	10 min between 9.00 – 9.30 am
Primary 4		1.40 pm	11.00 am to 11.30 am	10 min between 9.00 – 9.30 am
Primary 5		1.30 pm	10.00 am to 10.30 am	10 min between 12 noon – 12.30 pm
Primary 6		1.40 pm	11.30 am to 12 noon	10 min between 9.00 – 9.30 am

Snack break

The school has instituted a 10-minute snack break for the children daily. We seek your cooperation in ensuring that your child/ward brings along a healthy snack for this break. It should be something healthy, convenient and easy for your child/ward to consume during the short break.

Silent Reading before Morning Assembly

To inculcate a love for reading from a young age, all MFPS students will start their day at school with silent reading. Kindly ensure that your child brings reading materials of his/her choice (these should not include comic books), in his/her Mother Tongue language on Mondays and Tuesdays and in English language on the other three days of the week.

Dismissal

To further ensure the safe dismissal of our P1 and P2 students, they will be brought by their subject teachers to their respective dismissal points. The school does not allow P1 and P2 students to go home on their own. They are either to be picked up by parents/caregivers or take the school bus.

Students who are fetched by their parents/caregivers are to wait for the children at the dismissal points at gates B or C. These dismissal points will be demarcated with signs. Parents and guardians are not to proceed beyond these demarcated areas.

6. Absence from school

All students are expected to be present and to attend lessons and all school activities that have been planned for them. Students who are frequently absent regardless whether they have a valid reason, would fall behind in their studies. If your child/ward is absent from school due to **medical or compassionate reasons**, you are required to provide the Form/Co-Form teacher with a medical certificate or letter.

Permission has to be sought from Principal in writing, if your child/ward has to leave school for any overseas trips during school terms. Please send in your request through the Year Heads.

7. Safe Management Measures (SMM) and Health Matters

As the nation transits into Covid-19 Resilience phase, the following SMM will be implemented in school:

- Daily temperature taking exercise will be conducted every morning in class. Please ensure your child/ward has the oral digital thermometer (ODT) with him/her daily and it is in working condition. If your child/ward has misplaced his/her ODT or if it is faulty, you may purchase one from the school bookshop. The ODT is an essential item to be brought to school each day.
- Students will wear masks at all times, except during PE lessons. Those who require special concession to put on a face shield instead are to make the request through the Form Teachers. Please bring a Ziploc/plastic bag for your child/ward to keep his/her mask during PE lessons.
- All students must bring along their own Trace Together token every day. Please ensure that the token is in working order. Should the token require a replacement of batteries or is faulty, do get it replaced as soon as possible at Community Clubs/Centres, selected malls and also at various designated vending machines at HDB void decks. [For more information, please refer to the following URL: <https://token.gowhere.gov.sg/>]
- Students will perform a wipe down routine when there is a change of venue, during recess and at the end of each day.
- All will be mindful to practise safe distancing of 1m (where possible) between individuals and groups during lessons and mealtimes.
- There will be gradual resumption of physical CCA activities in school, pending updates of guidelines from MOE.
- There will be gradual resumption of group activities in class with no more than 5 per group and appropriate distancing.
- There will be staggered recess and dismissal timings as indicated above (Point 5).

Also, students should not report to school if:

- they are tested Covid-19 positive
- they are having fever or flu-like symptoms or served HRW (Health Risk Warning)
 - If you wish to send your child/ward to school while serving HRW, please provide a negative ART test result to your child/ward's form teacher before they come to school.

Safeguarding the health and well-being of our students is our collective responsibility. We seek your cooperation to seek medical attention for your child/ward should he/she develop flu-like symptoms and keep him/her away from school until he/she has fully recovered.

8. **Covid-19 Vaccination for 5 to 11 year-old children**

MOE has recently sent detailed information via Parent Gateway on the Covid-19 vaccination exercise for children aged 5 to 11 to protect them from getting the virus. It also gives the children good protection against being seriously sick even if they do get Covid-19.

The registration will be done progressively and MOE will send a customized SMS invitation for the booking process. We strongly encourage you to bring your child/ward for the vaccination.

9. **Use of Mobile Phones in School**

In our efforts to create a conducive and focused learning environment in school, students are strongly discouraged from bringing their mobile phones to school. The school canteen is equipped with public telephones for them to make phone calls. Please refer to *Annex A on MFPS Policy on the Use of Mobile Phones* for further details.

10. **Safety of Students in the School**

The safety and security of all our students are of high importance. Hence all visitors who come into the school throughout the day are to report to the Guard House to register their visit and carry out temperature taking and Trace Together Safe Entry procedures so that we have a record of visitors on the school grounds at all times. Parents and visitors are not permitted to enter our school premises during the pandemic season unless special events are organised by the school. Please refer to *Annex B on School Safety Matters* for more details.

We seek your support and cooperation so that the school will continue to be a safe, secure and conducive learning environment for all our students.

11. **School Calendar for Semester 1**

The school calendar for Semester 1 is in *Annex C*. Please refer to it for the schedule of school events, programmes, school-based assessments and school holidays in Semester 1.

You will receive more details about school-based assessments in the following week.

12. Home-School Collaboration

You will receive via Parents' Gateway a letter from your child's form teachers introducing themselves, the subject teachers, as well as the Year Head overseeing the pastoral care and well-being of the cohort. Their respective email addresses will be reflected in the notification. You may communicate with the teachers via email or pen messages in the School Handbook. In addition, you may contact the school via the school email address mayflower_ps@moe.edu.sg or call the General Office at 6452 0849. Our clerical officer will assist you.

We invite our parents to join the MFPS Parent Support Group or sign up as parent volunteers for our various school activities that take place throughout the year. If you would like to support our school in other ways, please contact us.

13. Class Administration

First day of School

Please be reminded that school starts on **4 January 2022 for P1 students** and on **5 January 2022 for P2 to P6 students**.

For Primary 1 students, one vaccinated parent can accompany the student to school on 4 January to attend the P1 briefing. Please bring along your Trace-Together token / Safe-entry app for check-in. Please refer to the Parent Guidebook for more information on what to pack for your child/ward for the first day of school [URL: <https://sites.google.com/moe.edu.sg/mfppsp1/parent-guidebook>]. We seek your understanding to bring your own water as the canteen stalls will not be accessible for sale of items to parents on that day.

For Primary 2 to Primary 6 students, students will need to bring a pair of scissors, glue and colouring materials for the first 2 days of school.

Updating of pupil information

Your child/ward will receive a personalized student report from his/her form teacher. Do take some time to verify the details in the report and update the information, where necessary. Please return the signed document to your child's/ward's form teacher by **Monday, 10 January 2022**.

Personal Data Protection Act (PDPA)

Photographs or video images of you and your child/ward may be taken during school activities and events such as classroom lessons, CCA, school camps, or school concerts. The school may use and publish such photographs or video recordings in school publications, the school's website, social media channels, or other communication channels.

If you do not wish to have you or your child/ward featured in our publications, please write in to the school to inform us.

Thank you and I would like to take the opportunity to wish you a happy new year and a year of fruitful and meaningful learning for all our children.

Yours sincerely,

Ms Cecilia Lim
Principal-Designate

Annex A – MFPS Policy on the Use of Mobile Phones in School

We recognise that mobile phones are part of everyday life for many children and that they can provide a useful means of communication between them and their family members. However, mobile phones can prove to be a distraction in students' learning. Therefore, students are strongly discouraged from bringing mobile phones to school or on learning journeys.

If a parent or guardian would like for his/her child to bring a mobile phone to school, please contact the child's form teacher to communicate the need. The child's form teacher will advise the parent/guardian accordingly and issue an application letter for completion. If the request is successful, the child will be given a school sticker which is to be pasted at the back of the mobile phone. **This approval is only valid for the year of application.** Please note that parents are strongly advised to go through the guidelines with their children before letting them bring the mobile phone to school.

Students are expected to follow the school's guidelines on bringing and using the mobile phone in school. The school will not be held responsible for the loss or damage of mobile phones brought to school. Mobile phones brought to school without permission (i.e. no written request submitted) or used outside school guidelines will be confiscated and parents will be required to collect them personally from the teacher.

Our school canteen has public telephones for students to make phone calls to their parents. On learning journeys outside the school, students can approach the teachers-in-charge for help if they need to contact their parents.

Annex B - Safety of Students In and Around the School

Visitors to school

The safety and security of all our students are of great importance. With heightened security risks present in today's national and global climate, it is important that Mayflower Primary remains a safe environment for our students. It is crucial that everyone coming into the school adheres strictly to the security measures put in place. We seek your understanding, patience and cooperation in complying with these measures to ensure a safe and conducive learning environment for all.

Walk-in	Drive-in
<ul style="list-style-type: none">Visitors are not allowed to enter the school during this pandemic season, unless prior appointment has been made with respective school personnel.Visitors who walk into the school throughout the day are to report to the Security Guard Post at Gate B.	<ul style="list-style-type: none">The vehicle barrier at the main gate will be lowered from 7.30 am to 6.00 pm.Parents/Guardians can drive into the school to alight or pick students during these hours:<ul style="list-style-type: none">6.30 am to 7.30 am (daily)1.45 pm to 2.00 pm (daily)3.15 pm to 3.45 pm (Tue & Thu)4.15 pm to 4.45 pm (Tue & Thu)Only the following vehicles are authorised to enter the school outside the stipulated times:<ul style="list-style-type: none">Goods and maintenance vehiclesVehicles of staffParents picking unwell childrenAny other vehicles authorised by schoolReport to the Security Guard Post at Gate A.Parents should not get out from their cars unless they are picking unwell children.
Register your visit by showing your identity card or driving licence for a Visitor Pass, carry out the Safe Management Measures protocols and proceed directly to General Office.	
Visitor Passes are to be prominently displayed at all times for identification.	

Do note the following opening hours of the school gates:

	Monday to Friday	Remedial/Supplementary class days (Tuesday & Thursday)
Gate A	6.30 am – 7.30 am 1.45 pm – 2.00 pm	3.15 – 3.45 pm 4.15 – 4.45 pm

Gate C	6.45 am – 7.45 am 1.15 pm – 2.00 pm	2.55 – 3.15 pm 4.00 – 4.20 pm

All visitors are requested to enter the school via Gate B.

As we wish to help our students be more independent and responsible, we strongly discourage parents from sending items that the children have forgotten to school. For parents who prepare lunch for their children for after school activities, please make the necessary arrangements with your children to collect the lunch boxes from you at the school gates after dismissal. Students are not allowed to leave the school premises after curriculum hours if they are involved in any after school activities. We seek your kind understanding and cooperation not to come into the school grounds for these purposes.

Road Safety

We would like to seek your cooperation to work with the school in ensuring the safety of students coming to and leaving school as our young children may not have the skills required to use roads properly and do not always fully appreciate the dangers presented.

Please note there shall be strictly NO PARKING, where applicable:

- 9 metres within a bus stop area;
- 6 metres within a junction;
- 3 metres within a fire-hydrant;
- 50 metres of a pedestrian crossing;
- Along double yellow lines;
- On grass verge and footway; and
- At entrances or exits of any other premises.

Hence, you are encouraged to park at the nearby public car parks at Blocks 174 to 176 when picking your child at dismissal.

The National Environment Agency (NEA) would like to remind parents to switch off their vehicles' engine while waiting to pick their children from school to achieve better air quality and safeguard public health. A stationary motor vehicle with engine running, wastes fuel and causes air pollution.

School Bus

We constantly remind students who take the school bus to put on their seat belts at all times on the bus. We seek your cooperation to reinforce this message at home for their safety.

Walking to/from school:

For the safety of children who walk to school, you are strongly encouraged to have an adult to accompany and supervise them at all times.

Cycling to/from school:

We have noticed that a handful of our students either cycle or are cycled to and from school. We would strongly discourage students cycling to school unless accompanied by a responsible adult. Please adhere to the following guidelines by the Traffic Police when you are cycling your child to/from school.

- a. Wear a suitable protective bicycle helmet at all times to safeguard against head injuries should one fall.
- b. Abide by road traffic rules at all times and adopt safe cycling behaviour and habits.
- c. Avoid cycling along the footpaths. If there is a need to cycle on the pedestrian pathway, please dismount from your bicycle and walk with your child.
- d. Practice the kerb drill – “Look Right. Look Left. Look Right again!” to ensure that it is safe to cross the roads at traffic light junctions and zebra crossings.

We seek your support and cooperation so that your child will be safe coming to and from school and that the school environment will be safe and secure in the face of possible security threats. We expect some inconvenience on your part due to having to adjust to these enhanced measures and ask for your patience and understanding in this move taken by the school.

MESSAGE FROM LTA ON ROAD SAFETY OF STUDENTS

We would like to seek your cooperation to work with the school in ensuring the safety of students coming to and leaving school.

This letter reiterates the road safety policies of the school:

- a. Reduce vehicle speed and stay alert for pedestrians in the school zone.
- b. Cooperate with traffic marshals to ensure overall safety and smooth traffic flow.
- c. Let your child alight only at the designated drop-off point.
- d. Be advised not to violate traffic rules by driving recklessly or making illegal manoeuvres such as turning into the school from the outer lane(s) of the road.
- e. Do not horn indiscriminately.
- f. Help your child alight from the car as quickly as possible.
- g. Reinforce correct road safety behaviour such as using the pedestrian crossing, and avoiding jaywalking or using a handphone while crossing.
- h. Remind your children to practice the kerb drill before crossing - "look right, look left, look right again, ensure all vehicles have stopped, raise your hand high up and cross the road briskly".
- i. If your child must cycle to school, ensure that he knows safe cycling rules and is a competent cyclist.

For the safety of everyone, enforcement action will be taken against motorists who violate traffic rules. We thank all parents and guardians who have been the role models for our children.
