Dear Parents/Guardian,

### Cohort Leadership Training for Primary 4 Students

Student Leadership at Mayflower Primary School is based on the school's motto, "Service before Self". One way we nurture key leadership skills is through our cohort leadership training. At the Primary 4 level, students learn to be team leaders who:

- Recognise the importance of perspective taking
- Know the five traits of a good leader
- Commit to doing their class leadership role well

Details of the training are as follows:

Day / Date	Time	Attire	Venue
Wednesday, 2 March 2022	2.15 – 4.00 p.m.	P.E. attire	P4 classrooms

**Attendance is compulsory for all students.**

In the event that your child/ward is absent on the day of training, a copy of the medical certificate (MC) is required to be submitted through the form teachers. Please note that **no payment** is required.

Please acknowledge this notification by **Thursday, 24 February 2022**, and indicate the mode of dismissal for your child/ward.

We appreciate your support as we seek to empower our student leaders to be exemplary citizens of tomorrow!

Thank you.

Yours sincerely,
