NATIONAL DAY CELEBRATIONS – ND 2022 @ MFPS

National Day marks our separation from Malaysia in 1965, and our emergence as an independent country in a community of nations. This year we will be celebrating our nation's 57th year of independence.

The theme, "Stronger Together, Majulah!" is a call for all Singaporeans to forge ahead as a united and strong people towards a better future. "Stronger Together" reminds Singaporeans that unity in our diversity is what makes us stronger. Communities, families and friends coming together form the bedrock of our nation's strength and resilience, enabling us to overcome challenges. "Majulah", which means "onward", encapsulates our hopes and spirit as a nation since our independence 57 years ago, and is a rallying call for Singaporeans to strive for a better future, and grow from strength to strength as we emerge from COVID-19.

During the National Day celebrations, our students will experience lessons and activities that will enable them to understand that:

- National Day marks our emergence as an independent and sovereign state, after our separation from Malaysia in 1965
- we have overcome many challenges to build an identity for ourselves, both within Southeast Asia and on the global stage

Our school has lined up a series of activities to inculcate the importance of National Day which include an observance ceremony and celebratory activities on Monday, 8 August 2022.
