This year, for Teachers' Day, MOE launched an Augmented Reality (AR) Gratitude Portal for the public and the education fraternity to pen notes of appreciation to the education community. Even though Teachers' Day is over, students, parents, caregivers and alumni can still click on the MOE Gratitude Portal link at <https://www.ThankYouCher.edu.sg> to access the portal to pen well wishes and send a 3D AR virtual card to their teachers and school staff. You can also access the link via our school website in the Announcements tab.

In case you missed it, do note that MOE will be implementing a study break for Primary 6 students from 26 - 28 September as an additional measure to support student well-being and minimise any risk of school-based COVID-19 transmission prior to the PSLE.

During the study break, P6 students are strongly encouraged to remain at home. Students who require assistance from their teachers may do so through online consultations. Schools will remain open for P6 students who require in-school support. Parents/guardians who are unable to secure alternative care arrangements may also approach their child's/ward's school for assistance.

If your P6 child/ward has tested positive for COVID-19 prior to or during the PSLE, please inform the school for the necessary follow-up actions. You may refer to SEAB's website **Instructions for PSLE** for more details :

**<https://www.seab.gov.sg/home/examinations/safe-conduct-of-national-examinations/psle>**

Student Care Centres in schools will remain open in the afternoons during the study break for families who require the service.
