

Mayflower Primary School 2022 – Enrichment Programmes (Consolidated) – Primary P6

No	Programme	Synopsis	Date / Term	Cost to be co-paid with students
1	Ezhishi - Digital Resources and Hardcopy Chinese Magazine (for students taking Chinese Language)	'Xin Lie Che' is a Chinese magazine for primary school students. It is a bi-weekly publication, totalling 20 issues for the year. The reading content is diversified, interesting and meets students' curriculum learning needs. The magazine also integrates language skills training such as oral, listening, writing, and comprehension skills through reading and other activities. The subscription package includes an online learning portal for eOral Practice and Resources (for Primary 5 and 6).	Term 1 to Term 4	\$26
2	P6 What's Up Student Newspaper	<i>What's Up</i> is an English newspaper for students. It is a monthly publication, totalling ten issues for the year. This newspaper explains current affairs in a way that students find comprehensible and compelling. The articles are also tied in with values and activities that are taught and conducted in the classroom.	Term 1 to Term 4	-
3	Mother Tongue Language Activity (Tamil) : Indian Traditional Games (for students taking Tamil Language)	Pupils will get to play traditional Indian games and will also know the history behind the game.	Term 2	-
4	Mother Tongue Language Fortnight Activity (Malay) : Introduction to Coaster Weaving (for students taking Malay Language)	Students will be introduced to the history and significance of woven baskets in the Malay culture and community. They will learn how to weave simple coaster using rattan.	Term 2	-
5	Mother Tongue Language Activity (Chinese) : Chinese Painting (for students taking Chinese Language)	Students will learn the proper brush strokes, how to create shades by applying water and using black and colour pigments. At the end of the programme, students will create a painting using the techniques taught.	Term 2	-

Mayflower Primary School 2022 – Enrichment Programmes (Consolidated) – Primary P6

6	Asian Civilisations Museum Learning Journey	In line with the Social Studies unit 'Legacies of the Ancient Kingdoms and Empires of Southeast Asia', students will explore artefacts in the Asian Civilisations Museum that help them understand how the past lingers on in present-day Singapore and other Southeast Asian countries.	Term 2	-
7	Financial Literacy Workshop	An essential life skill, students will learn about basic money management skills and the importance of saving money.	Term 2	-
8	Cajon Music Enrichment	This programme aims to introduce students to the popular Peruvian instrument. Students will be taught basic Cajon playing techniques to participate and enjoy the instruments through group performances.	Term 3	-
9	Learning Journey (Science) – Gardens by the Bay	Students will be able to apply the concept of adaptation to the plants and habitat presented at the flower dome and cloud forest. Students will also be presented with relevant contexts to apply mathematical concepts. They will also deepen their understanding of characteristics of the environment and learn to care for it.	Term 3	-
10	Coding Enrichment Programme	At P6, the elements of problem-solving and innovation will be emphasized while students continue to deepen their computational thinking skills using SAM LABs flow programming. Students will use the elements of Design Thinking to solve problems within the school and community, and to work collaboratively to build their prototypes.	Term 4	-
11	Heritage Trail	Part of the National Education programme, students understand their Singaporean identity by exploring a heritage area and learning about the cultures and practices of one ethnic group. This year, students will explore Kampong Glam and/or Chinatown.	Term 4	-

Mayflower Primary School 2022 – Enrichment Programmes (Consolidated) – Primary P6

12	P6 Cohort Camp (non-residential)	The camp aims to foster camaraderie and teamwork, leveraging on peers' strengths to maximize the potential of a group, and nurture social and emotional competencies through adventure. The programme provides opportunities in taking perspectives when making decisions so that they are better prepared for future challenges.	Term 4	\$66
