

### Mayflower Primary School 2022 – Enrichment Programmes (Consolidated) – Primary 3

No	Programme	Synopsis	Date / Term	Cost to be co-paid with students
1	Ezhishi - Digital Resources and Hardcopy Chinese Magazine <b>(for students taking Chinese Language)</b>	'Xin Peng You' is a Chinese magazine for primary school students. It is a bi-weekly publication, totalling 20 issues for the year. The reading content is diversified, interesting and meets students' curriculum learning needs. The magazine also integrates language skills training such as oral, listening, writing, and comprehension skills through reading and other activities. The subscription package includes an online learning portal for eReading Levelled eBook (for Primary 1 to 4)	Term 1 to Term 4	\$26
2	Museum-Based Learning (MBL) Singapore Philatelic Museum	The P3 MBL programme is designed to let students discover the world via a variety of artworks represented in the world of stamps. The programme starts with a workshop conducted by the Singapore Philatelic Museum to develop students' research skills and creative art-making skills. Students will then be inspired to create a unique artwork that expresses their imagination based on selected topics using a variety of media and art styles. The programme will culminate in a national level art competition and school-based art exhibition.	Term 1 to Term 2	-
3	P3 <i>The Gruffalo</i> Live on Stage!	The online viewing experience exposes our students and allows them to enjoy and love reading through drama. The post-performance activities provide them opportunities and enable them to develop their creative communication skills through different roles/characters of stories.	Term 1	-
4	Mother Tongue Language Fortnight (Tamil) Activities: Traditional Costumes <b>(for students taking Tamil Language)</b>	Students will be introduced to Indian Traditional Costumes and its history.	Term 2	-

### Mayflower Primary School 2022 – Enrichment Programmes (Consolidated) – Primary 3

5	Mother Tongue Fortnight Language (Malay) Activities : Introduction to Layang-layang <b>(for students taking Malay Language)</b>	Students will learn the significance of Layang-layang. They will go through a step by step process of making Layang-layang and will learn to decorate Layang-layang with Batik motif	Term 2	-
6	Mother Tongue Language Fortnight (Chinese) Activities: Chinese Painting <b>(for students taking Chinese Language)</b>	Students will learn the proper brush strokes, how to create shades by applying water and using black and colour pigments. At the end of the programme, students will create a painting using the techniques taught.	Term 2	-
7	Learning Journey to Science Centre	Students will be taken through a series of exhibits and hands-on activities to help them better understand and appreciate the diversity of living things.	Term 3	-
8	SMRT Learning Journey	In line with the Social Studies Big Book 'Discovering Singapore the Ride Way!', students will go on an exclusive train ride into an SMRT depot and learn how the MRT was one way Singapore overcame her transportation challenge.	Term 3	-
9	Angklung Ensemble Enrichment	This programme aims to introduce the origins, cultural background, and basic playing techniques of the Angklung to students. Students will be able to experience the joy of ensemble playing with Angklung while learning to work as a team.	Term 3	-
10	Holistic Modular Sports Programme (Athletics)	This enrichment module aims to introduce basic skills and techniques in athletics. Students will learn fundamental skills that enable them to participate actively in sports activities.	Term 4	-
11	Coding Enrichment Programme	At this Pre-ALP stage, students will begin their coding journey using the basic WeDo Lego programming. Through easy step-by-step block-based instructions, students will learn basic computational skills while being engaged in guided real-life investigation and model making.	Term 4	-

**Mayflower Primary School 2022 – Enrichment Programmes (Consolidated) – Primary 3**
