Dear Parents / Guardian,

COVID-19 Vaccination status update for student safety

It is encouraging that about 40% of students aged 5 to 11 have taken the first dose of the vaccine, as of 15 January 2022*. To ensure the safety of our students, we would like to keep track of your child/ward's vaccination dates so that we can ensure that he/she does NOT participate in strenuous physical activities in school for at least 2 weeks after his/her jab. Kindly assist us in filling up the form for your child/ward (according to his/her level and class), through the correct link below:
