

Mayflower Primary School 2022 – Enrichment Programmes (Consolidated) – Primary 4

No	Programme	Synopsis	Date / Term	Cost to be co-paid with students
1	Ezhishi - Digital Resources and Hardcopy Chinese Magazine (for students taking Chinese Language)	'Xin Peng You' is a Chinese magazine for primary school students. It is a bi-weekly publication, totalling 20 issues for the year. The reading content is diversified, interesting and meets students' curriculum learning needs. The magazine also integrates language skills training such as oral, listening, writing, and comprehension skills through reading and other activities. The subscription package includes an online learning portal for eReading Levelled eBook (for Primary 1 to 4)	Term 1 to Term 4	\$26
2	Museum-Based Learning (MBL) Singapore Art Museum	The P4 MBL programme is a signature programme that is integrated into the school curriculum across three domains i.e. English Language, Social Studies and Art. This programme seeks to hone our students' 21st century competencies and interdisciplinary application skills through a series of museum visits and exploration of contemporary issues in Singapore.	Term 1 to Term 4	-
3	Cohort Leadership Training Programme	In line with our school motto, 'Service Before Self', our leadership philosophy is 'To Lead is to Serve'. This programme develops our budding leaders and prepares them to excel in their class leadership roles.	Term 1	-
4	Mother Tongue Language Day Camp	As part of Mother Tongue Fortnight activities, this camp enriches the learning of Mother Tongue and deepens pupils' appreciation of the Chinese/ Malay/ Indian culture in visual and performing arts.	Term 2	-
5	Mother Tongue Language Fortnight Activity (Tamil) : Visual and Performing Arts (for students taking Tamil Language)	As part of Mother Tongue Fortnight activities, this camp enriches the learning of Mother Tongue and deepens pupils' appreciation of the Indian culture in visual and performing arts.	Term 2	-

Mayflower Primary School 2022 – Enrichment Programmes (Consolidated) – Primary 4

6	Mother Tongue Language Fortnight Activity (Malay) : Introduction to 'Bunga Telur' (for students taking Malay Language)	Students will learn the function and significance of 'Bunga Telur' in the lives of the Malay community. They will also learn about the materials used in the making of 'Bunga Telur'.	Term 2	-
7	Malay Cultural Language Camp for Primary 4 : Introduction to the origins of 'Wau' (for students taking Malay Language)	Students will learn about the history, significance, characteristics and different types of 'Wau Bulan'. They will go through step-by-step process of making 'Rangka Wau', wrap and decorate a 'Wau'.	Term 2	-
8	Garage Band ICT Music	This programme aims to help students in creating original accompaniments to sing along using electronic devices. In addition, students will use virtual instruments to create a music band to groove and sing along.	Term 2	-
9	Music & Movement Enrichment Programme	This programme aims to inspire students to develop an aesthetic appreciation and curiosity towards dance. Students will also develop an awareness to the close connection between movements and music through participating in various types of dance.	Term 3	-
10	Coding Enrichment Programme	At P4, students will officially embark on the ALP journey. Building upon what they have learnt in P3, students will deepen their computational skills using LEGO SCRATCH programming. Students will be introduced to the elements of Design Thinking, with an emphasis on empathy, when investigating real-life problems in their homes.	Term 4	-
11	Calculator Workshop	The workshop prepares students in the use of calculator for the following year in Primary 5. During the workshop, the students will be taught the key functions of the calculator. They will then be given the opportunity to apply the skills learnt to solve authentic real life problems. Calculators will be provided for all students.	Term 4	\$18
